

The Bunny Hop

(Tune: Over in the Meadow)

Cherry Carl

Down in the garden where the farmer grows his crop,
You can see the little bunnies gather for the Bunny Hop.

Hop, little bunnies, coming from the mountain top!

So they hopped and they flopped

'Til they landed with a plopl!

Hop, hop, wiggle, wiggle, do the Bunny Bop!

Little bunny rabbits, you can do the Bunny Flop!

Hop, little bunnies, 'til you stop and go kerplopl!

So they hopped and they clopped

'Til they did a belly flopl!
