# Aren't You Feeling Grand?

Written by Cherry Carl

Aren't you feeling **grand**  
when you study hard and **understand**,

1

Aren't you feeling **grand**  
when you study hard and **understand**,

1

when you build a castle in the sand,

2

when you build a castle in the sand,

2

when you give your mom a **hand**,

3

when you give your mom a **hand**,

3

when you're playing in a **band**,

4

when you're playing in a **band**,

4

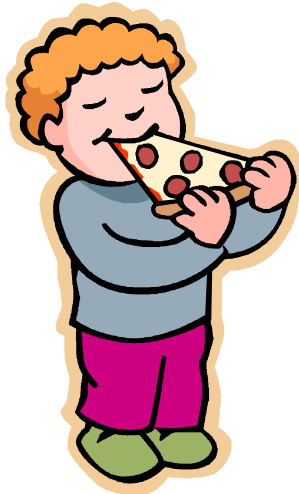

when you grow things in the **land**,

5

when you grow things in the **land**,

5

when your food is never **bland**,

6

when your food is never **bland**,

6

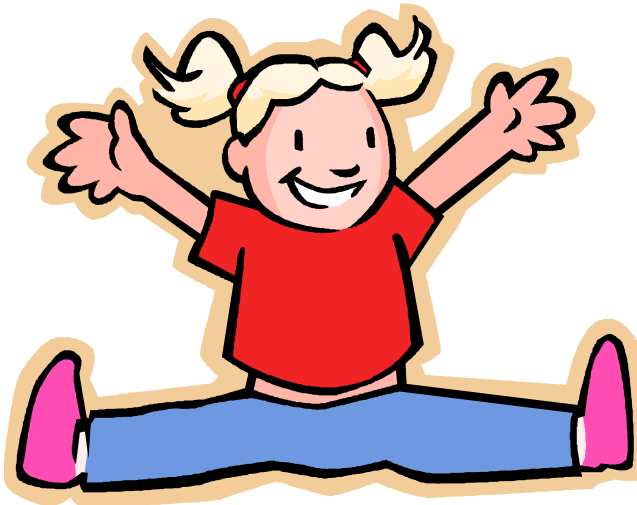

when you have a lemonade stand...

7

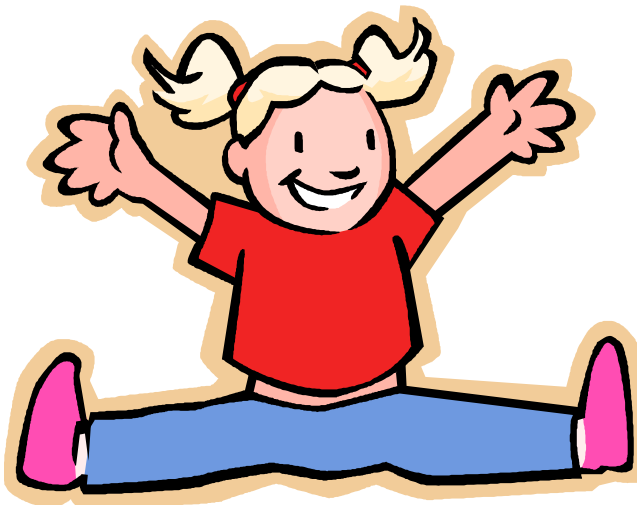

when you have a lemonade stand...

7

Aren't you feeling **grand**?!

8

Aren't you feeling **grand**?!
