

I belong to a family, a family  
called **ab**.

This little critter is called a  
**crab**.

This is a car that is called a  
cab.

This is a lab who had to grab  
a nap.

This policeman is about to  
nab a crook!

This policeman is about to  
grab a naughty boy!

This man runs to get rid of  
the flab.

This is my friend and we like  
to gab.
